UH35-4

UH35 SERIES

UHF CB Handheld

 Range: **3+ km[#]**

 Time: **20+ hrs[†]**

 **80 Channels**

 **Compact Size**

80 UHF Channels*: Allows you to choose from up to 80 frequencies for communication.

Mini Compact Size: Small enough to fit anywhere. 138mm (H) x 50mm (W) x 30mm (D)

D+Booster (Extreme Distance Booster): Uses precision matched antennas to deliver superior range and enhance battery efficiencies compared to standard UHF systems.

Range Extender (Duplex) Capability: Allows the radio to operate via a local repeater station, if available, which re-transmits your signal over a wider area. Up to an extra 30 – 100km depending on location, height and availability of local repeater station.

LCD Display: Liquid Crystal Display.

Auto Battery Save: Allows the UH35 to automatically save and conserve power when not in use and in standby mode.

Channel Scan: Scans all channels and locks on any active channel.

Battery Level Indicator: Allows you to see the level of power left in the UH35 batteries.

500mW RF Output Power: Maximum transmit power.

Auto Squelch: Automatically blocks the unwanted low level hissing noise allowing only strong incoming signals.

Monitor: Allows the user to listen to weak signals normally muted by the automatic squelch circuit.

Belt Clips Included

Designed & Engineered in Japan

Built Rugged for Australian and New Zealand Conditions
