80 Channels^{*}

Adventure Design

80 UHF Channels^{*}

1W (UH510 Series) or 1.5W (UH515 Series)
Maximum TX Output Power

Large Channel Display with Backlight

Digital Coded Squelch (DCS): Choose from 104 alternative digital codes that can be sent with your transmission. The digital code is recognised by the selected receivers enabling them to receive the transmission. Receivers that do not recognise the digital code remain silent therefore blocking out unwanted conversations.

TX Power Hi/Lo: Select high (1W – UH510 Series or 1.5W UH515 Series) or low (0.5W) RF output power to extend your battery power supply.

Range Extender (Duplex) Capability: Allows the UH510/UH515 Series to operate via a local repeater station, if available, which re-transmits your signal over a wider area. Up to an extra 30-100km depending on location, height and availability of local repeater station.

VOX Hands Free Capable

Interference Eliminator (38 CTCSS Codes)

Auto Battery Save and Low Battery Alert

Roger Beep

Busy Channel Lockout Function: Disables your transmitter while activity is detected on the channel.

Open and Group Scan

Keypad Lock

Auto Squelch: Automatically blocks the unwanted low level hissing noise allowing only strong incoming signals.

5 Different Calling Tones

Built-in Headset Jack

Designed and Engineered in Japan
